CRAIG FULLER

APPELLANT

APPEAL FROM THE SALINE COUNTY
CIRCUIT COURT
[NO. CR03-309-3]

V.

HON. GRISHAM A. PHILLIPS, JR.
JUDGE

STATE OF ARKANSAS

APPELLEE

APPEAL DISMISSED

This case purports to be an appeal from a conditional guilty plea pursuant to Ark. R. Crim. P. Rule 24.3. However, the notice of appeal states only that the appeal is taken from the denial of the trial court's motion to suppress. A notice of appeal pursuant to Ark. R. Crim. P. 24.3(b) requires an appeal to be from the judgment; an appeal from the denial of the motion to suppress is insufficient. *Hill v. State*, 363 Ark. 371, 215 S.W.3d 586 (2005). Because the notice of appeal is insufficient, we lack jurisdiction, and we dismiss.

Appeal dismissed.

BIRD and GRIFFEN, JJ., agree.
